Dear Parents,

The *Conseil des écoles francsaskoises* wishes to provide you with pertinent information regarding transportation services for the 2016-2017 school-year.

The [transportation form](#) is now available in the "Parents" section on the CÉF's web site at [www.ecolefrancophone.com](http://www.ecolefrancophone.com). We ask that every family complete a separate form for each child.

For the month of September 2016, additions or changes will be made once a week. Information submitted to the bus company by the end of the workday on Wednesday will take effect the following Monday.

Common or designated stops will be maintained for pick-ups and drop-offs. Door to door services will be offered to Kindergarten students when the child is the oldest of the family or the only child enrolled at the school.

Students residing within a one (1) km radius from the school will not qualify for school bus transportation. Students that are eligible could be asked to walk up to 500 meters from their home to the common or designated stop for morning pick-up and after school drop-off.

On the following page you will find the contact list of our transportation providers. Please refer to the school your child attends for their contact information.

If you have any questions, please contact me at [ghautcoeur@cefsk.ca](mailto:ghautcoeur@cefsk.ca).

Gilbert Hautcoeur, directeur des projets
